

Last year was a year to remember for the McKinney Lionette softball team. The team not only made the playoffs for the first time in 10 years, they were also Co-District Champions. For most of the season, McKinney was ranked in the top 10 in the state (4-A) and had won some big games against 5A powerhouses, including defending state champs Alvin and semi-finalist Plano East. This year looks even better! The team is returning its entire starting lineup and is expecting great things from its incoming freshman class.
